Executive Budget Narrative

ADMINISTRATION

The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the State Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri financial institutions or in short-term United States government obligations or other instruments as provided by Article IV, Section 15 of the Missouri Constitution. Safety and liquidity are the State Treasurer's priorities in the investment of the public's funds. The State Treasurer monitors capital markets and works to maximize the return on the state's \$3.4 billion portfolio without compromising safety, earning the state millions of dollars in interest income each year.

The State Treasurer is also responsible for all state banking services, for authorizing all state payments and for reconciling those accounts. The State Treasurer establishes bank accounts for the collection of state moneys and for the receipt of all electronic payments. To protect taxpayers' money, the State Treasurer maintains a separate accounting system to provide a check and balance on the Office of Administration accounting system, and distributes investment earnings to the proper funds.

Additionally, the State Treasurer is tasked with the biennial transfer of funds to the General Revenue Fund and the transfer of excess interest earned on the debt offset escrow account as set forth in Mo. Rev. Stat. §§ 33.080 and 143.786.

LINKED DEPOSIT

The Missouri Linked Deposit Program encourages economic growth and development in Missouri. It enables the state to provide reduced-rate deposits to financial institutions, which in turn make low-interest loans to eligible borrowers, as specified in Mo. Rev. Stat. § 30.750. Qualified borrower categories include agriculture, job creation, small business, alternative energy, local governments or other authorized categories. Under the Missouri Linked Deposit Program, the State Treasurer places deposits in Missouri financial institutions at a discount of up to 60 percent on the normal market interest rate. In turn, the financial institutions pass on the interest-rate savings by making loans to qualified borrowers at interest rates no more than 70 percent of market. If the lending institution does not loan the full amount of the deposit, the institution must pay the state the difference between the market rate and the reduced linked deposit rate. If the State Treasurer determines that the lending institution miscalculated and overpaid additional interest, a refund is made to the lending institution.

UNCLAIMED PROPERTY AND THE ABANDONED FUND ACCOUNT

The State Treasurer administers the state's unclaimed property program by collecting, safeguarding and working to return unclaimed property sent by financial institutions, insurance companies, private businesses and public agencies. The State Treasurer's Office holds this cash and property until the owner or heir can be located or comes forward. The Treasurer is committed to returning as much unclaimed property as possible and continues to break records in both the dollar amount of property and accounts returned. As required by state statute, the Treasurer also annually notifies owners of their unclaimed property via postcards sent to their last known address as well as by taking out advertisements in local newspapers.

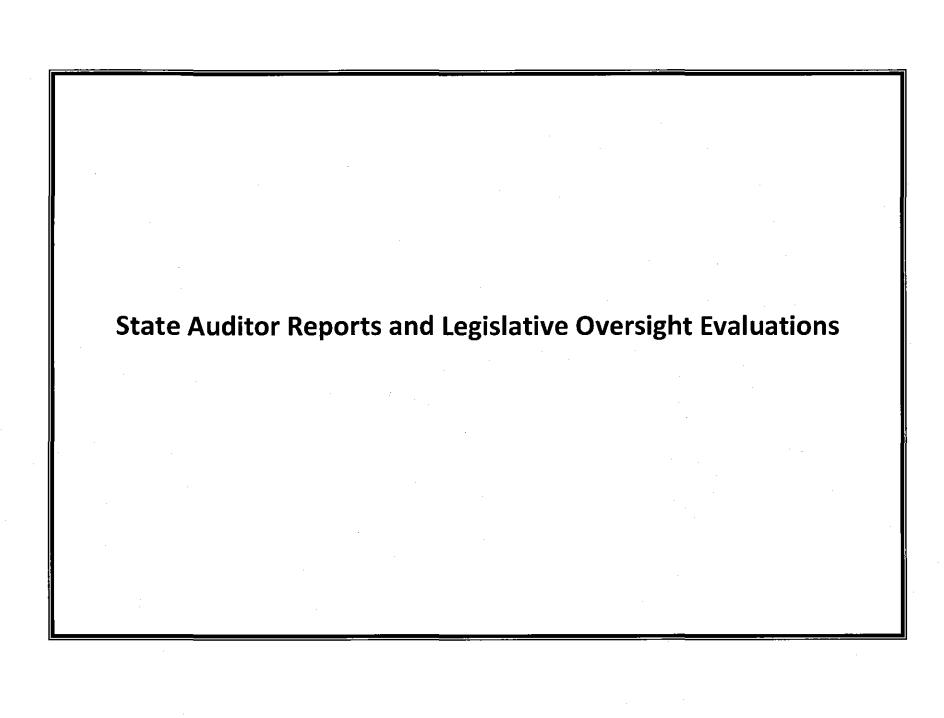

In accordance with Mo. Rev. Stat. § 447.543, the abandoned fund account receives and holds these unclaimed funds, making payment of valid claims. Any time the abandoned fund exceeds 1/12 of the previous fiscal year's disbursements, the State Treasurer may, and at least once every year shall, transfer the excess to general revenue. If verified claims for payment should reduce the balance in the account to less than 1/12 of the previous fiscal years disbursements, the State Treasurer shall transfer from general revenue an amount sufficient to restore the fund to 1/12 of the previous fiscal year's disbursements. Additionally, pursuant to Mo. Rev. Stat. § 470.020, the State Treasurer makes an annual transfer from the abandoned fund to the public schools fund.

ISSUING DUPLICATE AND OUTLAWED CHECKS

The State Treasurer is charged with replacing state-issued checks in the event they are not presented for payment within the legally required 12-month time frame pursuant to Mo. Rev. Stat. § 30.200.

CENTRAL CHECK MAIL SERVICE

The State Treasurer operates a centralized check mailing service for state agencies pursuant to Mo. Rev. Stat. § 30.245, which allows the state to take advantage of bulk mailing rates and consolidation of payments to a single vendor.

In order for the Office of the Missouri State Treasurer (STO) to fulfill its advertising requirements (Chapter 447 of the Revised Statutes of Missouri) regarding unclaimed property, the STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet website, booths at public events and other proactive owner locations) in an attempt to locate rightful owners of unclaimed or abandoned funds held by the STO. These funds will also be used for ongoing communications with owners as they go through the claims process and other claims related expenses. The STO also must make all preparations to conduct an auction of items received that need to be liquidated. This includes an auctioneer, locating a place to hold the auction, cataloging the items to be sold and advertisement for the auction.

1a. What strategic priority does this program address?

The Abandoned Fund, also known as the Unclaimed Property Program receives, maintains and pays out to the rightful owners abandoned funds remitted to the state pursuant to § 447.500-595 of the Revised Statutes of Missouri.

The State Treasurer, through the Unclaimed Property Program, shall receive reports of unclaimed property from holders; shall keep record of the owner information submitted by holders; shall make prompt payment of claims submitted by owners; shall sell property held for 2 years at public sale; shall maintain a registry of representatives assisting in the recovery of unclaimed property held by the Treasurer which have complied with the certification requirements in state statute to remain in good standing; and shall annually publish the names of persons appearing to be owners of abandoned property.

1b. What does this program do?

The Office of the State Treasurer (STO) is obligated to issue a check to the rightful owner of unclaimed property in accordance with Missouri Statutes.

In order for the STO to fulfill its statutory advertising requirements regarding unclaimed property, the STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet web site, booths at public events and other proactive owner locations) in an attempt to locate rightful owners of unclaimed or abandoned funds held by the STO. The STO also must make all preparations to conduct an auction of items received that need to be liquidated. This includes an auctioneer, locating a place to hold the auction, cataloguing the items to be sold and advertisement for the auction.

2. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

Revised Statutes of Missouri § 447.500-595

3. Are there federal matching requirements? If yes, please explain.

2. CORE DESCRIPTION

Department Office of the State Treasurer

Pursuant to RSMo Section 30.200, "Any person who fails to present his check or draft for payment within twelve months from the date of issuance may receive a duplicate check or draft if he files a statement with the state treasurer of the reason for the nonpayment and obtains an appropriation made for that purpose as provided by law. A duplicate check or draft may be issued against a general appropriation for that purpose within five years immediately following the date of issuance of the original check or draft."

We are requesting an open-ended appropriation for FY 19 to issue duplicate and outlawed checks. The volume and amount of claims for duplicate checks is outside the control of the STO, however, we do proactively contact payees of outlawed checks to assist them in obtaining a replacement check. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase as claims for replacement checks were received to avoid delays in issuing these payments.

2. CORE DESCR	RIPTION										—

Pursuant to RSMo Section 447.543, the treasurer shall make prompt payment of claims from the Abandoned Fund Account. These claims are for the payment of moneys held by the State Treasurer's Office (STO), in trust, for the rightful owners and heirs of unclaimed property.

We are requesting an open-ended appropriation for FY 19 for the payment of claims from the Abandoned Fund Account. The volume and amount of claims for unclaimed property is outside the control of the STO. Claimants may locate their unclaimed property and begin the claims process on the STO's website, the STO annually mails postcards to the last known address of each owner and publishes in newspapers across the state. Prior to FY18, this appropriation was estimated and the STO had the ability to request an increase as unclaimed property claims were received and processed to ensure there were no delays in the payment of claims.

2. CORE DESCRIPTION

Department Office of the State Treasurer

Pursuant to RSMo Section 447.543, "Should any claims be allowed or refunds ordered which reduce the balance to less than one-twenty-fourth of the previous fiscal year's total disbursement from the abandoned property fund, the treasurer shall transfer from the general funds of the state an amount which is sufficient to restore the balance to one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund." This appropriation is also used to transfer outlawed state checks to the abandoned fund. (Monies are transferred back to general revenue within one day.)

We are requesting an open-ended appropriation for FY 19 to transfer funds from the General Revenue Fund to the Abandoned Fund as indicated in statute. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

Pursuant to RSMo Section 447.543, excess cash balances in the Abandoned Fund are transferred to the General Revenue Fund and at least once annually, the balance in the fund that exceeds 1/12 of the previous fiscal year's total disbursements from the fund shall be transferred to the General Revenue Fund. Moneys in the fund are utilized to pay claims of unclaimed property to the rightful owner.

We are requesting an open-ended appropriation for FY 19 for the transfer of excess funds to the General Revenue Fund in accordance with statute. The volume and amount of claims for unclaimed property as well as the receipts of unclaimed property from holders is outside the control of the STO. In FY 17, the transfer to the General Revenue Fund exceeded \$62 million. The FY 18 appropriation amount was established at \$39.3 million, which is significantly less that the amounts transferred in each of the 3 preceding fiscal years. Prior to FY 18, this appropriation amount was estimated and the STO had the ability to request an increase as additional balances were identified as available to transfer.

In the event an audit indicates that an interest refund is due to a depository institution regarding a linked deposit, adequate funding must be available to make the refund. Section 30.758.5 provides that "...the state shall receive market interest rates on any linked deposit or any portion thereof for any period of time for which there is no corresponding linked deposit loan outstanding to an eligible..." borrower. When a financial institution miscalculates and overpays the amount of market interest owed to the Office of the Missouri State Treasurer (STO), the STO must have a mechanism to refund the overpayment.

Pursuant to RSMo Section 33.080, at the close of each odd-numbered fiscal year, the Office of the Missouri State Treasurer shall calculate the unexpended or available balance in each eligible fund and transfer it to the general revenue fund.

We are requesting an open-ended appropriation for FY 19 to perform the biennial transfer. The transfer for FY2016 - FY2017 will be made in FY 2018. (There will not be a transfer posting during FY 2019.) The amount to be transferred is outside the control of the STO as fund balances may fluctuate considerably and statutory limits vary by fund. The FY18 appropriation amount was established at \$1 million, which the STO believes is insufficient, given historical transfer amounts that range between \$861,000 and \$3,275,000. Prior to FY18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

Pursuant to RSMo Section 470.020, an amount equal to five percent of the annual amount transferred to the General Revenue Fund from the Abandoned Fund Account, less any transfers from the General Revenue Fund to the Abandoned Fund Account, shall be transferred to the State Public School Fund.

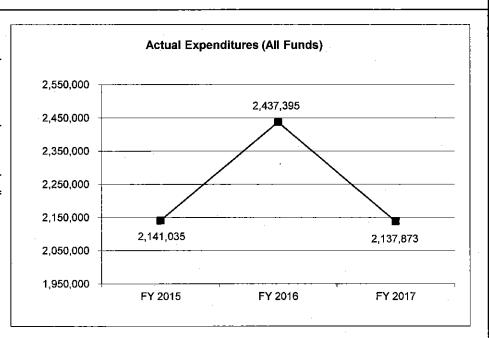

We are requesting an open-ended appropriation for FY 19 to transfer funds from the Abandoned Fund to the State Public School Fund as indicated in statute. Due to the difficulty in estimating the activity in the fund for any given fiscal year, which then drives the transfer amount upon which this calculation is based, the STO is requesting an open-ended appropriation. Prior to FY 18, this appropriation was estimated and the State Treasurer's Office (STO) had the ability to request an increase if additional funds were needed.

FUND NAME:

State Treasurer's General Operating Fund

REVENUE SOURCE: The source of revenue for this fund is the retainage of interest earnings as authorized by § 30.605 Missouri Revised Statute.

FUND PURPOSE: This fund is used for the general operations of the Office of the State Treasurer excluding the Unclaimed Property Division (separately funded through the Abandoned Fund 0863). The salaries and fringe benefits for employees performing investment, cash management and administrative duties as well as related expense and equipment costs are paid from this fund.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: The State Treasurer's Office experienced staff retirements during FY17 as well as turnover in several other positions. Not all of the staff were able to be replaced quickly, and when the positions were filled, the starting salaries of the new staff were less than the exiting staff due to the longevity of the existing staff. This turnover also resulted in a temporary reduction of general office spending.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office has several in-house systems that require routine maintenance from in-house staff. These systems are sufficiently aged that updating of the system and the source code are necessary to keep them functioning properly. The State Treasurer's Office plans to update these systems as resources and funding are available with both in-house and external programming staff.

EXPLANATION OF CASH FLOW NEEDS: Because interest receipts can fluctuate greatly month-to-month based on the state's overall cash flow, the State Treasurer's Office manages the cash flow needs of this fund by striving to maintain a fund cash balance of half a fiscal year's budgeted expenditures. This is accomplished by reviewing the interest retainage calculations on a monthly basis and adjusting them as needed.

OTHER NOTES: Notwithstanding the provisions of § 33.080, moneys in the State Treasurer's general operations fund shall not lapse to the general revenue fund at the end of the biennium unless and only to the extent to which the amount in the fund exceeds the annual appropriations from the fund for the current fiscal year.

^{*} Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

DEPARTMENT:

Office of the State Treasurer

FUND NAME:

Abandoned Fund

FUND NUMBER:

0863

REVENUE SOURCE: The source of revenue for this fund is abandoned property remitted to the State Treasurer's Office by the holder.

FUND PURPOSE: This fund contains amounts remitted by holders to the state as Unclaimed Property. The fund is used to pay owner claims, and also enables the Office of the State Treasurer (STO) to fulfill its advertising requirements for unclaimed property. The STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet website, booths at public events and other proactive owner location) in an attempt to locate owners. The STO must conduct an auction of items received that need to be liquidated and pay out claims to the rightful owners of the unclaimed property. The fund pays for salaries and fringe benefits of the Unclaimed Property Division staff and related expense and equipment costs effective FY2006.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Unexpended personal service dollars are the result of occasional staff turnover resulting in the division not being fully staffed for the entire fiscal year. Unexpended advertising and auction dollars are the result in cost savings achieved by competitive bidding. Unexpended claims amounts are the result of a fourth quarter increase in the estimated appropriation amount which exceeded the amount of unclaimed property claims processed for payment in that quarter.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: This fund has no outstanding projects.

EXPLANATION OF CASH FLOW NEEDS: The Abandoned Fund's cash flow needs are to ensure sufficient cash balances to pay claims for unclaimed property. The State Treasurer's Office does posses appropriation authority to transfer funds from the General Revenue Fund should the cash balance in the Abandoned Fund become insufficient to pay claims.

OTHER NOTES: At any time when the balance of the account exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, the Treasurer may, and at least once every fiscal year shall, transfer to the general revenue of the State of Missouri the balance of the abandoned fund account which exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, and notwithstanding the provisions of § 33.080 to the contrary, no other moneys in the fund shall lapse at the end of the biennium.

REVENUE SOURCE: The source of revenue for this fund is interagency billings to the agencies utilizing the central check mailing service. Agencies are billed based on the number of payments they process through the service.

FUND PURPOSE: This fund is used for the central disbursement of checks for other agencies. The fund also assists in increasing efficiency and reduces costs statewide.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Actual expenditures are based on the level of usage by state agencies. That usage is out of the control of the State Treasurer's Office, and the fund has lapsed a portion of its expense and equipment appropriation in recent years.

EXPLANATION OF OTHER ADJUSTMENTS: This fund has no other adjustments.

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office will need to replace the mail handling equipment that bursts, folds and stuffs checks within the next five years.

EXPLANATION OF CASH FLOW NEEDS: The fund needs a sufficient cash balance at any given time to purchase postage when needed, pay necessary repairs on the mail handling equipment, and cover half of the salary and benefits of the staff person assigned to the central check mailing service. Billing has been shifted from quarterly to monthly to assist in better matching cash inflows to outflows.

OTHER NOTES: Any unencumbered balance in excess of fifty thousand dollars remaining at the end of each fiscal year shall revert to the general revenue.
